FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

COMMENTS IN SUPPORT OF PROPOSED RULE MAKING

Plum Creek Broadcasting Company, Inc., licensee of FM station KARL Tracy, Minnesota ("KARL"), by its attorney, respectfully supports the proposed substitution of Channel 286C3 for Channel 286A and modification of the KARL license to specify operation on the Channel 286C3 as set forth in the Notice of Proposed Rule Making, DA 93-132, released March 2, 1993, in the above-captioned proceeding. KARL hereby incorporates by reference its petition for rule making and reiterates the need of Tracy for an additional wide coverage area FM service. Upon finalization of this proceeding and amendment of Section 73.202(b) of the rules as proposed, KARL will promptly prepare and file an appropriate application for the upgraded facility. Upon grant of said application, KARL will diligently pursue the construction thereof and begin operating with the new facilities as quickly as possible. Accordingly, the Commission should amend its rules by substituting Channel 286C3 for Channel 286A at Tracy Minnesota.

Respectfully Submitted,
